

TECHNICAL DATA SHEET COHE QUICK CLEAN

DESCRIPTION

A fast-acting mould, moss & mildew remover. Ideal on concrete, pavers, roofs, gutters, fibreglass, outdoor furniture, walls and fences. No scrubbing or pressure water blasting needed just simply “spray on rinse off with low pressure water”. Repeat application if necessary. Do not use on fabrics.

BASIC USES

- Algae, Mould, Moss and Lichen Control
- Works fast
- Can be used on a variety of surfaces including wood, concrete, paint bricks
- Fully biodegradable

FEATURES

Available in 5L and 20L jerrycans. Yellowish opaque liquid. Lemon Bleach Odour.

Backed by Cohe Group’s strict quality control Testing at independent laboratories

PREPARATION

Clean out any leaves or debris using a stiff broom or blower to achieve a sound surface to bond to.

APPLICATION

For optimum initial application use at a ratio of 1:2 (500mls per litre, 50% solution) with cold potable water and a ratio of 1:4 (250mls per litre, 25% solution) for subsequent applications. Product to be applied at 1 litre per 8m² of diluted liquid. Spray onto surfaces, and leave. For best results, allow a dry contact time of at least 3 hours. Most surfaces do not require rinsing although some aged painted surfaces may require a rinse to avoid streaking. Best applied first thing in the morning or last thing at night onto a cool surface to minimise evaporation with no rain expected for 12 hours.

Q&A

- Shelf life: 1 Year
- Setup time: Immediate
- Coverage: 1 litre per 8m² of diluted liquid
- PPE: PVC gloves, eye protection
